

This year in Hantsport, the Remembrance Day Committee is tentatively planning a shortened **Remembrance Day Service** which will be held at the Legion Memorial on the front lawn of the HMCC property from 10:55-11:10 a.m. following COVID safety protocols. Please note that there will not be any wreaths laid at this service.

The service is normally held at Hantsport School and is where funds are collected for the **Hantsport Memorial Scholarship Foundation**. This Foundation was started to honour the Hantsport veterans who served during wartime. It began in 1964 and 73 students have been awarded the scholarship throughout the years. The funds collected by the Foundation go toward helping Hantsport and area graduating high school students as they pursue their post secondary education. The 2020 recipients are Horton High School students Heidi Maxner and McKinley Bezanson. Congratulations and good luck to these girls as they start their university education.

The Foundation would like to make people aware that they can still donate to the Scholarship Fund through some of the following options and if you need a receipt could you please indicate that.

- 1. E-transfer to Matt Balsor (Hantsport Scholarship Foundation Treasurer) at info@mattbalsor.com Please use the password Hantsport.**
- 2. You can also mail a cheque to Matt Balsor, 13864 Hwy 1, Hantsport, NS B0P 1P0**
- 3. There will also be a donation bucket at the Payzant Home Hardware Building Centre in Hantsport next to their Remembrance Day display beginning on Oct. 30th. Thank you to Shane Oickle and his staff.**

Special thanks to those who have donated so far and we appreciate your kindness.

Thank you

Renda Vandertoorn

President

Hantsport Memorial Scholarship Foundation
